BÜHLER

Introduction to Application & Training Center

The Application & Training Center (ATC) brings values to the customers by facilitating test bench for pilot trials, training programs for all operational levels, analytical lab services, and many benefits to achieve objectives.

Our training programs helps to optimize the process based on the requirements. Bühler is customer's partner and believes in updating its valued customer by providing latest process technology, machines operation and plant maintenance to get full benefit by efficient operation and maintenance of their plants and machineries. Our technology experts assist customers to know the Bühler machines with customized training which is optimally adapted to customer requirements.

Training Competencies:

Paddy to Plate

Pulses Processing

Coffee Roasting

Basic Wheat Milling

Advanced Wheat Milling

**Analytical lab
– Quality analysis**

**Automation and
Digitalization**

SORTEX in grain milling

**General maintenance
practice for Bühler
Solutions**

**Mechanical
maintenance**

Electrical maintenance

Custom course program

Highlights 2024

In 2024, ATC successfully completed training programs in Rice Milling Operations, Wheat Milling, Coffee Processing, Spice Processing, Rice and Sortex Technology, among many others.

Paddy to Rice Processing

In addition to training various customers, we conducted a customized training program in August 2024 for LT Foods on Rice Milling Operations. Our experienced trainers from BBAN focused on the essential training concepts. As a result, the new GETs of the industry clarified their doubts, grasped key concepts, and understood the true essence of productivity through effective machine usage.

As part of CSR initiatives, Buhler conducted comprehensive training on the entire module for Alvas Institute. This training aimed to enhance the skills and knowledge of the budding Engineers, thereby empowering them to achieve higher standards of excellence in their respective fields machine usage.

Highlights 2024

Coffee Processing for Nestle India

A training focused on concept of Coffee Processing was designed to enhance understanding and provide the essential knowledge needed to operate coffee processing equipment efficiently. Our experienced trainers meticulously prepared engaging training modules by:

- Choosing relevant content and concepts related to coffee processing.
- Selecting appropriate training methods to suit different learning styles.
- Preparing comprehensive training materials for better learning.
- Conducting thorough assessments to measure understanding.
- Facilitating interactive question and answer sessions to address any queries.

Participants say they were happy with the informative sessions, felt better equipped for efficient operation. Our trainers are excited and committed to enhancing future customer training programs.

General Terms and Conditions for training services on Bühler sites

1. General

These General Terms and Conditions (hereinafter "GTC") are applicable for all contracts concluded with Bühler AG (hereinafter "Bühler") for customer-specific training services as well as contracts concluded by way of our online portal at www.buhlergroup.com (hereinafter "Online Portal") for standard training services which are provided by Bühler on Bühler sites, provided that no different agreement has been made in the individual contract in writing. Changes and / or amendments to these GTC are only accepted if agreed between the parties in writing.

2. Conclusion of contract in case of customer-specific training services

In case of customer-specific training services the customer requests a quote of Bühler by telephone or by e-mail. The contract between Bühler and the customer comes into effect with the signature of the respective training contract by Bühler and the customer.

3. Conclusion of contract in case of standard training services

The binding registration of a customer is made electronically through the Online Portal by submitting the filled-in registration form for the respective participant. The contract between Bühler and the customer for standard training services comes into effect with the confirmation of registration by Bühler, which is sent to the e-mail address provided by the customer.

4. Postponing / cancellations / adjustments of training services

a) In case of an insufficient number of participants, Bühler explicitly reserves the right to cancel or postpone planned trainings until 4 weeks before the scheduled start of the training. In case of a cancellation by Bühler, paid training fees will be fully refunded. No other compensations are provided by Bühler. Cancellations and postponements of the trainings do not entitle the customer to claim any damages from Bühler.

b) Brochures, catalogues as well as documentations from Bühler concerning the training services are non-binding. Bühler explicitly reserves the right to make minor adjustments concerning the schedule and the localities as well as to replace the training leader or speaker in case of sickness or other non-availability.

5. Training material

Bühler reserves all rights in any provided training material and documentation. Such material is provided to participants on a nonexclusive right to use that material only for the purpose of the respective paid training. Any other use, the making of unauthorized copies and / or the distribution to third parties is strictly prohibited without the prior written consent by Bühler.

6. Costs and fees

Prices for the participation in trainings (hereinafter „Training Fee“) are understood net without any deductions and for each training participant. The applicable statutory value added tax (VAT) is not included in the Training Fee and is indicated separately on the invoice.

The costs for accommodation, of breakfast, of surrendered training material and of possible transport between the hotel and training site are not included in the Training Fees. Training participants shall be accommodated in a three-star hotel according to local conditions, unless otherwise agreed upon in the individual contract. The costs of travel shall be borne by the customer in any case. All other costs, such as costs for an extension of the stay after completion of the training, meals and drinks outside of trainings as well as any telephone charges are to be borne by the customer respectively the participant.

7. Payment terms

a) The Training Fee is due and payable without deduction immediately after receipt of the invoice.

b) If a training registration is cancelled by the customer, Bühler will charge the following fees:

- Cancellation 22 or more calendar days before the start of the training: no cancellation fee
- Cancellation within 21 to 11 calendar days before the start of the training: cancellation fee of 10% of the entire Training Fee
- Cancellation within 10 to 3 calendar days before the start of the training: cancellation fee of 50% of the entire Training Fee
- Cancellation 2 or less calendar days before the start of the training: cancellation fee of 100% of the entire Training Fee.

Any cancellation must be received by Bühler in writing at the latest on the indicated day.

c) The customer is entitled to designate a substitute participant, if he informs Bühler about it in writing prior to the start of the training.

8. Place of performance

Place of performance for all contractual obligations are the Bühler sites indicated in the training documents, unless otherwise agreed in the individual contract. For reasons of health protection, training participants are obliged to strictly follow the instructions of the training leader and of Bühler on training premises at any time. Equipment, machinery, and rooms on the training premises shall only be used and operated within the context of the training and in presence of the training leader.

9. Visas/permits

It is the sole responsibility of the customer to obtain all necessary permits and visas in time. He must take into account that trainings may (according to the respective training outline) take place in different countries. All costs resulting from a delay caused by obtaining the permits and visas not in time, are to be borne by the customer.

10. Insurances

It is within the responsibility of the customer to conclude insurance policies to cover for example possible illness, accidents, or medical treatment of the training participants. Bühler will not conclude any insurance coverage for training participants.
