

Bühler Business Apprentices Program

Bühler: Every day, billions of people come into contact with Bühler technologies to cover their basic needs for food, mobility, and more. Our technologies are in your smartphone, solar panels, diapers, lipstick, banknotes, the foods you eat, and the vehicles you drive. We strive to create innovations for a better world, with a special focus on healthy, safe, and sustainable solutions. Bühler is a Swiss, family-owned company with presence in more than 140 countries worldwide.

What is a business apprenticeship?

Two year earn-while-you-learn program where you spend 3 days per week working at Bühler to integrate into the culture while earning your associate degree at Hennepin Technical College.

Why be an apprentice?

- Get paid as a full-time employee with benefits and paid vacation time while you get hands-on training and earn a debt-free Associate Degree in Management and Marketing.
- Apply what you're learning at school in real time at Bühler, giving you valuable experience that sets you apart from other students.
